# DOT AND EHSS COMPLIANCE

The AllTranstek team verifies and ensures compliance by training staff to align with DOT Environmental, Health, Safety and Security Regulations.

## WHAT WE DO

### Facility Inspection and Evaluation.

We perform periodic facility inspections and evaluations to discover opportunities for improvement. AllTranstek will consult on corrective actions and provide suggestions to enhance EHSS compliance. Our Regulatory and Compliance team thrives at exceeding federal standards. We protect our clients' capital investments with great pride.

### DOT and EHSS Assessments and Training.

Programs are specially designed to assist shippers by providing a deep and comprehensive understanding of shipper responsibilities across DOT and EHSS disciplines.

AllTranstek provides the best in class compliance education at your facility locations. DOT and EHSS assessments lead to exceptional compliance performance and outstanding safety records for our customers.

## WHY WE DO IT

### Regulatory Compliance.

We are committed to helping our customers maintain comprehensive regulatory compliance under DOT, EPA, OSHA, and DHS by providing current information, a hands-on personalized approach, which will provide an understanding and solid foundation to assist shippers meet their compliance requirements during daily operations.
